

# A Call For ALL Sovereign People to UNITE For the Survival of Humanity

Source: [AustraliaOne Party](#)

"We need to look after our babies, your grandkids, my grandkids... Here's the thing: By the time I die, when I'm closing my eyes... I want to look into my grandkid's and my great-grandkid's eyes and I want to be able to look them in the eye and say: 'When it was bad. I stood up for you. And I'm leaving you something healthy because we stood up.' I cannot leave this world knowing that we are leaving our children to a cesspool of parasitic sickness and knowing that I did nothing. And that's why I'm in this fight brother. Because as the ancestors, it is our responsibility to stand up for future ancestors. And when our great, great grandkids and me, and you are gone, and we're finished, they're going to be looking back in this time. The difference now to what's been going on in the last few hundred years is they're going to be able to SEE what we've done. They're going to be able to stand in pride in what we've done... This is about the survival of humanity and our babies. Failure is not an option! When they look back and they see that we have stood up and we have not only ensured that their future is one of prosperity and health, they'll also see a nation that is built on truth, honor, and respect. I once read a long time ago that a country is not a nation until its people are walking in unison. This is our chance." ~ David Cole (aka Lurnpa)
