US Billionaires became 1 trillion dollars richer since the beginning of 2020. How did they do it? Let’s discuss.

Robert O’Leary, JD BARA, has had an abiding interest in alternative health products & modalities since the early 1970’s & he has seen how they have made people go from lacking health to vibrant health. He became an attorney, singer-songwriter, martial artist & father along the way and brings that experience to his practice as a BioAcoustic Soundhealth Practitioner, under the tutelage of the award-winning founder of BioAcoustic Biology, Sharry Edwards, whose Institute of BioAcoustic Biology has now been serving clients for 30 years with a non-invasive & safe integrative modality that supports the body’s ability to self-heal using the power of the human voice. Robert brings this modality to serve clients in Greater Springfield, Massachusetts and New England (USA) & “virtually” the world. He can also be reached at romayasoundhealthandbeauty@gmail.
