

The Shadow War Between the Banking Cabal & Global Alliance is Escalating

A western cabal, driven primarily by US and Israeli forces, have been in power for dozens of decades. Fortunately though, they are slowly losing grip on their monopoly of control. There are many names for this power structure, including the deep state, cabal, globalists, elitists, banksters, Zionists and Illuminati, to name but a few. This elite cabal serve to destroy that which doesn't align with their interests, which as you may have guessed is chaos. In addition, they might still have a successful psy-op campaign on the masses which is inducing some people further into their coma, yet this is disintegrating fast as they no longer dictate the perspective of alternative thinkers. The reality is more and more truthseekers are breaking free.
