

# **“Politics is a Total Sham”: Aaron Rodgers Destroys Both Parties, Champions Bodily Autonomy, Becomes Un- Cancelable**

Rodgers choosing to abstain from getting the covid vaccination – although a personal and private choice that is no one’s business but his own – was seen as a challenge to the collective and, therefore, an information war was waged against him. But thanks to his un-cancelable status, Rodgers is weathering the storm just fine. #aaronrodgers
