

The Sun forges a magnificent link to both the bubbly energies of Jupiter and the more spiritual ones of Neptune. All this can lead to some uplifting exchanges and growing insights. However, Mercury and Mars are in a more combative mode and angle, so where possible we need to see the best in people, and respect differences of opinion. **For your FREE Weekly Horoscope 2nd July 2018 please see below...**

## **Weekly Horoscopes**

### **Aries 21 March – 20 April**

Mercury goes face-to-face with Mars this week, and you may find yourself having an intense discussion with a friend or loved one. If you can agree to disagree, see that as a good thing. With Saturn forging a fine angle to Uranus, innovation can be very good for your career. If you've always had an inkling to work for yourself, this can be a fine time to consider a new business.

### **Taurus 21 April – 21 May**

Your interests and hobbies can certainly be an avenue to expand your social circle. And this week, the Sun is forging two very fortunate angles for you, which can give you a sense of enthusiasm, and also that things are very much on the up. You can also have a uncanny knack of tuning into trends or people's perceptions. Ignore any naysayers and remain resolutely upbeat.

### **Gemini 22 May – 21 June**

If you are looking to apply for a new job, the stars are aligning superbly well for you Gemini. Your creative abilities are also highlighted. More personally, if you are travelling

anywhere, look to enjoy the journey rather than rush to your destination. A sibling or someone you encounter daily, could prove frustrating at times, but look to the bigger picture and the overall progress you're making.

## **Cancer 22 June – 23 July**

With the Sun in your sign, forging an awesome angle to both Jupiter and Neptune, this can be a fine time to initiate any new plans, or to think more expansively about any strands that you have ongoing. Although finances may cause a little bit of frustration, your desire to expand your existence and make it more exciting, is going to be very strong. Just follow your instincts.

## **Leo 24 July – 23 August**

Mercury and Mars go face-to-face this week, and it could lead to a clash. It's possible that you'll encounter someone who has a completely contrasting world view to you [Leo](#). If so, rather than let this spiral into anger, look to embrace the more meditative and spiritual side of your nature. Although you could find yourself feeling much more sensitive, tranquillity can prove healing.

## **Virgo 24 August – 23 September**

You can find yourself connecting with a person in a really lovely way. This could be through a group involvement, or one person can become a more important player as a special friend. In fact, your connection with others can prove to be quite fortunate at this time, providing you pick the right people or situations. At work, someone can be something of a nitpicker, will it be you Virgo?

## **Libra 24 September – 23 October**

Reach for the stars this week Libra, because a key goal or aspiration could come to pass which could even see you do well financially. Although people see successes as very much a hard headed process, your ability to tune into others can also be a very important part of what you offer. Romantically however, or even socially, a difference of opinion could suddenly flare up.

## **Scorpio 24 October – 22 November**

Lucky Jupiter in your [horoscope](#) sign Scorpio, continues to forge an awesome angle with Neptune, wonderful for you to embrace your more creative talents, or to enjoy all sorts of performance, music and the arts. This week, the Sun aspects both planets, in a really helpful way. This pushes you to be more daring in your approach, even if it means going beyond your normal comfort zone.

## **Sagittarius 23 November – 21 December**

With Mercury in opposition to Mars, that side of you that loves debate, can come to the fore. It's going to be important to pick the right causes, or you could get caught up in all sorts of distractions. This can be a week of developing insights, a time when you can get much clearer about your deeper motivations. Someone can also put a good word in for you behind the scenes.

## **Capricorn 22 December – 20 January**

Friendships can be the source of good fortune this week, or perhaps one in particular. Now, I can't promise if you join a syndicate you're going to win the lottery, but sometimes in life we do have to speculate to accumulate, so judge your

circumstances carefully and make confident moves where it feels right. At home, a youngster can prove a little moody, Capricorn.

## **Aquarius 21 January – 19 February**

Polish your resume Aquarius and raise your profile. Look carefully at the Situations Vacant, for the perfect role could emerge for you, just when you least expect it. Look to be open to different slants on existing experiences, it could be a change can work out very well. You may also find yourself more assertive. This can also be good, but choose your battles carefully.

## **Pisces 20 February – 20 March**

Your two co-rulers continue to bring some magic to astral proceedings, and with the Sun energizing all you do, this is a fine week to push outwards, and be as enterprising as possible. An old issue could however, call out to you, and if this starts to distract or irritate you, rather than trying to push it to one side, stop and deal with it, for you will feel so much better for doing so Pisces.
