MUST SEE: The Rise & Rise of New Media

Source: Rumble

A compilation of powerful and at times highly entertaining video clips featuring a diverse range of spirited souls from all walks of life that you will never see on boring globalist controlled TV at this volatile and decidedly strange time in world history.

My humble contribution towards co-creating a happy, healthy and prosperous world for our children and future generations.

Note: A sense of humor is essential.

With Love and Sparkly wishes,
Society of Fairy Godmothers
