

Russell Brand on “50 Shades”: Is Porn Ruining Our Ability to Have Healthy Sexuality?

Don't let Russell Brands “casual” attire stop you from taking this video seriously. He makes some great points – like how our society is so obsessed with sexually-related media that even a conservative news source like Fox stopped their “war mongering” long enough to dive into a “50 Shades of Grey”-Inspired poll of people’s willingness to engage in S&M.
