

The Division That Trump is Creating in America is a GOOD Thing – Here's Why (Video)

Video Source: [Rachael Jayne Groover](#)

It seems that since Trump has taken office, people of the United States are getting more divided every day. One would think that is an undesirable thing, but Rachael Jane Groover says it's actually good because it catalyzes us and causes us to be clearer about what we really want and to take action on it.

Can you feel that clarity and desire rising up in yourself? And can you feel it collectively?

Watch this and transform your passion into action!
