

# Feed Your Body And Soul: 20 Easy Comfort Food Recipes Your Family Will Love

By: Julie Tomson | [Taste Huff Post](#)

There is no season for comfort food – we need it all the time. It's there for us on the hardest of days and to celebrate the happiest ones, too. But it's definitely during the fall that our craving for a big plate of comfort strikes most frequently. Maybe it's because we're sad that summer's over. Or maybe it's because we need a little help getting through the back-to-school blues. Whatever the case may be, the need is real.
