

Horoscopes Friday 18th May 2018

As delectable Venus aligns with the innovative energies of Uranus, we may prefer to dress in a way that showcases our individual sense of style.

We might also be drawn to more contemporary pieces of art or to books or movies that have a futuristic quality. **For your FREE Daily Horoscope Friday 18th May 2018 please see below...**

Horoscopes Friday 18th May 2018

Aries 21 March – 20 April

The Moon in Cancer can make you more sensitive to yours and others' feelings, so if someone in authority seems a little brusque, then don't take it personally. With lovely Venus in the last degrees of your communication zone and linking to lively Uranus though, you may see the value in a friendship or connection and realize that it could well be worth cultivating for the future.

Taurus 21 April – 21 May

You could feel quite excited about an opportunity or idea that may bring in more money or that might be worthwhile in other ways. Don't be put off by someone's negative criticisms, follow your instincts instead and you may be delighted at the outcome. In addition, Mercury's connection with the serious minded location of sensible Saturn, can see you taking a novel idea more seriously.

Gemini 22 May – 21 June

You could find yourself in a thoughtful mood Gemini, and one that might see you mulling over an issue with a view to finding answers. However, you could be more deeply connected to your intuition at this time, and this too can gift you with useful guidance. Weigh up the facts but trust your instincts too, as they could forewarn you of issues or opportunities you might easily miss.

Cancer 22 June – 23 July

With the Moon your ruler opposing cautious Saturn, you could find someone's mood affects you more than it should. If you find yourself moved by their opinions or plans and you don't want to go along with them, then stand firm. If you can put across a reasonable argument backed by facts, then they may be more mindful of your space over coming days and in the future.

Leo 24 July – 23 August

With expressive Mercury in a more prominent sector aligning with prudent Saturn in your work and lifestyle zone, you may be made a solid offer that is worthy of your consideration. It could involve further responsibility and more effort, but it might also reward you with extra money or other perks. Other ground-breaking opportunities may also be on the cards if you look for them.

Virgo 24 August – 23 September

With restless Uranus presently in your sector of far horizons, you may have a strong desire to explore new paths and opportunities. There is a likelihood that this will develop further over coming months and years, leading to some wonderful adventures. Now though, you may feel a push to seek

out new options that stimulate your enthusiasm and leave you eager for more.

Libra 24 September – 23 October

With luscious Venus aligning with the electric vibe of Uranus, you could happen upon a resource that provides you with a stock of ideas and the potential for new friendships as well. This aspect will come to a peak tomorrow, and could coincide with an encounter or discovery that gives you great hope for the future. This can also be a good time to work out the costs for a home project.

Scorpio 24 October – 22 November

With lively Mercury in your sector of relating making a positive angle to practical Saturn in your communication zone, this can be a good day to discuss plans and perhaps to finalize them. You'll be more inclined to look to the details and to make sure everything is in order. At the same time, with lively Mars in your home zone, the desire to de-clutter could grow stronger.

Sagittarius 23 November – 21 December

Someone you connect with on a regular basis could surprise you by revealing a side of themselves you didn't know about. And this could be the basis for a new and lively friendship. They may have different ideas and ideals to you, yet a bond can develop around an interest or a shared experience, and this might see you connecting up more often and supporting each other.

Capricorn 22 December – 20 January

If you make a decision to take a hobby more seriously, then you likely won't regret it. With a positive aspect on the cards, you may feel moved to explore certain pastimes in more depth. And this can be a very satisfying way to channel your creativity and your energy. As a Capricorn, you are often known for your ambition, therefore, you may well be motivated to hone your skills.

Aquarius 21 January – 19 February

An impromptu gathering or party at your place may be on the cards. With a buzzy link between sociable Venus and your modern ruler Uranus, the idea of getting friends or family together can be appealing. This can be a spur of the moment plan though. However, your [horoscope](#) suggests that throwing together a buffet or preparing a meal can be all the more fun for being spontaneous and going with the flow.

Pisces 20 February – 20 March

Wonderful ideas can spur you on to explore opportunities for travel or learning. A very beautiful link between upbeat Jupiter in your sector of far horizons and ethereal Neptune in your sign, can inspire you to try out fresh options. If you have a chance for a break or vacation, the coming week or so can be an excellent time to go on a journey that could be very therapeutic Pisces.
