

How do the Sun & Ascendant differ? Choose which to watch or Discover your Personal Ascendant.

One of the questions I get asked most is, what IS the difference between the Sun and Ascendant?

- People also regularly ask me “which should I watch, the Sun or Ascendant”?
- Or if you don't know your Personal Ascendant discover it now.
- Using Actor Leonardo Dicaprico's Personal Horoscope I show you the different ways we can divide the sky to analysis a chart.
