

# **Illuminate Film Festival – The Very Best in Conscious Cinema | May 30 – June 3, 2018**

ILLUMINATE is the world's premier film festival for conscious cinema. Dedicated to spreading enlightened ideas and pushing humanity forward, ILLUMINATE is a landmark destination event and centerpiece for conscious content. Founded on the premise that the language of film is universal and a dynamic force in carrying messages to the masses, the Festival showcases the best of transformational media to uplift, inspire and transform.
