Listen to Xi EarthStar's incredibly beautiful and angelic voice whenever you can use some self-soothing and/or healing sound vibrations. Also, be sure to check out her YouTube channel as she covers a multitude of important topics.

Xi EarthStar:

“As I waddled through a particularly dense and uncomfortable bubble of energy yesterday, I was at the same time self-soothing with creating these peaceful, beautiful and healing sound vibrations – I hope they bring you as much peace and comfort, as they did me :)”
