Lee Harris delivers his energy update for March 2021.

A few of the major headlines are:

- New levels of PURPOSE and PEACE showing up in more of us at this point in time.

-There is a POWER RISE in people that are beginning to surface in evident ways; INNOVATION, CREATION, and feeling like you are through the shell-shock of this past year.

-How to MULTIPLY your HEART ENERGY in your life and on Earth. And last, but by no means least,

-HOW IS YOUR BODY DOING right now and the importance of keeping a check on that at times like this.
