

# Morning Inspiration: Learn To Embrace Your Failures (Motivational Video)

Source: [Mulligan Brothers MOTIVATION](#)

A part of the process of moving forward or becoming successful in life is the eventual failures along the way. You have to learn to embrace failure, learn from it, adapt and push forward towards your goals.

“We will never make progress unless we’re willing to take risk. You know the key thing about taking risk is that you learn, and if something doesn’t work out you learn from it and then you’re able to move further.”

” We have to always recognize that knowledge frequently comes at a price.”
