It's a surety that once you work hard enough and stay committed you can achieve much more than you'd ever imagine. Putting in continued effort is a major determinant of success in any area.

"I feel very strongly that we are who we choose to be."

"You're not going to outwork me! It's such a simple basic concept. The guy who is willing to hustle the most, is gonna be that guy that just gets that loose ball." Will Smith

"Number one, that hard work pays off and number two, that dreams come true" Conor McGregor

"If other people are putting in a 40 hour work week and you're putting in 100 hour work weeks, then even if you're doing the same thing, you will achieve in a month what it takes them a year to achieve." Elon Musk
