

MUST SEE: Problems With Plastic and What You Can Do To Help (Written, Illustrated, and Narrated by High School Senior Tess Havas)

Problems with Plastic and What YOU Can Do About It – Written, Illustrated, and Narrated by High School Senior Tess Havas.

Tess is a high school senior at The Center School in Seattle, Washington. As part of her senior project, she created this video to spread awareness about the effects of plastic pollution on the ocean and our health. Next year Tess plans on attending Maryland Institute College of Art in Baltimore to create more visuals about important issues.
