Watch the above video with Vicki Howie and astrologer Tiffany Harelik and discover why Sept 5 is the most challenging day of the month, and why Sept 6 is the best day of the month.

Remember to be kind to yourself and others on the Virgo New Moon (when self-judgment can rear it's little head). And be sure to celebrate your spirituality in a sweet way on the Pisces Full Moon.

Remember also that Mercury goes Retrograde on September 27 – it's always good to be prepared for Merc Rx!

Tiffany covers all of this and more in Your September Astro-Energy Forecast above.

I hope you have a relaxing, joyous week.

Much love,

Vicki
