

What Moved Pleiadian “Ambassador” Christine Day to Tears and Why You Will Be MOVED Too!

**What Christine Day just experienced at
Uluru in Australia and How it Will Affect
the World and YOU!**

[Christine Day](#), known to many around the world as the Pleiadian Ambassador, says that what happened on January 12th of 2020 was BIG! (My recent interview with PMH Atwater also addresses this big shift and she agrees). But what happened?

On that day, particularly at Uluru in the central part of Australia, a cosmic gate or dimensional doorway was cracked open, the likes of which it's been said has not occurred in THOUSANDS of years. And its effects will last for many years to come.

But what happened, and moreover, what does this mean for all of us?

Have we entered that doorway? How will our lives change as a result of it?

How will the world change, if at all?

Christine shares some intimate and powerful insights as to the new energies that have descended upon us as we begin this year of 2020, and talks about the Pleiadian healing she was prompted to do at Uluru that moved many to their own powerful spiritual awakening!
