

# **Every Day is A New Day To Fulfill Your Destiny (Motivational Video)**

We each get 24 hours or 1440 minutes every day to make something of ourselves. We have dreams and visions of what our life should be like and what we'd want to do with our lives. Thankfully we get a reset every day to work towards those goals. With perseverance we can achieve it. We just have to keep knocking at the door of opportunity and taking the chances we get in life.
