

# Mercury Retrograde 14th January – 3rd February 2022 + Zodiac Forecasts

please join me for my Mercury Retrograde Deep Dive Video which begins on the 14th January and squares the restless energies of Uranus.

The Messenger rewinds into Capricorn (from Aquarius) on the 26th January and is conjunct the Sun in Aquarius on the 23rd January and also Pluto in Capricorn on the 29th January 2022. The Retrograde ends 3rd February, emerges from Shadow 5th February.

Mercury in Aquarius is exalted in the sign of the Water Bearer and governs the second Decan of Aquarius from 10 degrees Aquarius, which is where Mercury Retrograde begins.
