

Your Chakra Life Cycle #9 (Age 58-64) – Sensual Sacral Return

Video Source: [chakraboosters](#)

A delicious return to the feminine.

For me, it has taken a LOT of conscious reprogramming to move from my engrained masculine, Western World ways into a more flowing and relaxed mode (and I'm still playing with it every day...).

How about you?

If you're not in this (Age 58-64) Chakra Life Cycle, [watch it anyway](#) and catch the sacral vibe. We can all use more feminine energy right now.

Note: If you're a parent (or trying to understand your own childhood influences), it's very helpful to watch the intro + first 3 cycles through age 21.
