

Julian Assange Tortured with Psychotropic Drug According To EX USAF Lieutenant Colonel

It's not just people like Assange who are being demonized and hunted, it's alternative media as well. The war on 'fake news' that's been happening for the last little while has forced alternative media outlets that are presenting credible information to be deemed as 'fake.' Any media outlet who even questions a controversial issue has been made out to be 'wrong' or 'fake.' Who has been hired to do this work? One example is news browser extension NewsGuard, which promises to help readers pick out fake news. However, NewsGuard is funded and run by individuals tied to the CFR, Atlantic Council, and other prominent elite figures.
