

# My Personal Covid/Chakra Story and a New Kind of Courage

Hello Beautiful Soul,

This week I'm back with up-to-date video (after weeks of airing my Chakra Life Cycle Course) and I'm sharing my Covid experience and how my big upcoming 2-2 (double sacral!) CLC is unfolding in my life.

I'm also introducing my new spiritual "teacher," my 9-week old maltipoo puppy, Bodhi who I met in a couple of my dreams (about 7 years ago) before meeting him in the flesh. He is the very definition of living large and fully surrendering.

Near the end of the video, Bodhi and I share a new kind of courage with you that has been a challenge and a deep joy for me to embrace. I'd love to hear your experience of it!

Finally, if you want to watch the 15 videos of my Chakra Life Cycle Course (valued at \$197) before I take them down from Youtube at the end of the month, here's the full CLC playlist as my gift (and yes, you can share it):

If you want an alternative to "Black Friday." Check out my Colorful Friday Sale. Right now, you can get anything you want from my store (except for private sessions) for 50% off when you use promo code "COLORFUL FRIDAY."

I may be biased (ha ha), but I feel that my tattoos, books, etc are the most healing, unique gifts you can give your loved ones.

Or to YOURSELF. I hope you're giving to yourself this season, sweet one.

Much love and many blessings,

Vicki
