

Vaccine Tyranny – Will You Take Bill Gates' Shot?

Video Source: [RonPaulLibertyReport](#)

Ron Paul: They are rushing through a COVID vaccine at a blistering pace while granting immunity to big Pharma for any damage it might do to the American people. They are lowering the minimum effectiveness level to 50 percent – like tossing a coin. The propaganda machine is in high gear. Should we line up for the shot? Also in today's Ron Paul Liberty Report: Massive anti-lockdown protests in Europe!
