Astrology Overview for August 02-08, 2021

Mercury glides into one of its two home zones of Virgo on Wednesday. This is perfect for using the clarity this will bestow to bring greater precision to a creative project we have recently visualised or planned. This is particularly so because Mercury joins both Venus and Mars in the sign of purity. Venus also angles in a very special way to Pluto, helping us to feel more deeply, who we have a special bond or connection with.
