Astrology Overview for July 12-18, 2021

Mercury finds its way in the water sign of Cancer from the start of the week, and through to Wednesday links really positively to Jupiter, the planet of expansion. Ideas can flow well with this, and creativity can be high, especially with the sunny combination of Venus and Mars freer this week. Mind, the Sun and Pluto go head to head later in the week, and the power dynamics in one situation can shift.
