## Astrology Overview for March 08-14, 2021

This week strongly features the Sun, Venus and Neptune, all in the dreamy sign of Pisces.

This an opportune time to review the eleven months of the celestial calendar that has gone before. Any kind of therapeutic or healing activity that we can embrace can be so uplifting. A great time to fast, juice and cleanse in the myriad of ways possible.

As the Pisces New Moon cascades its goodness into our situations on Saturday 13th at 10.21am UCT, this also gives us the chance to embrace the transformational energies of Pluto. All forms of inner growth and outer transformation can be powerfully uplifted. For more information on how this will pan
